Year 6 2018 Leadership

We are currently working with our Year 5 students who wish to nominate for school leaders in 2018.

If you would like more information on the process, or a copy of the Leadership Policies and Procedures, please contact Ms Ryan and Mr Keast.

2018 Enrolments

Rosemeadow PS has experienced an increased number of enrolments and we have already started planning for the 2018 school year and possible class structures.

Accurate information on student numbers is essential to minimise disruptions early next year. Please assist us by letting the school know if you intend on moving to a new school or there are new neighbours in the street.

Thank you to the families who have indicated to the school that they will be moving next year. Your support is appreciated.

We are also keen to enrol students starting Kindergarten for 2018.

Kindergarten Orientation will be held on Thursday mornings from 9:30-10:30am on the 2nd November, 16th November and 30th November.

If you require more information, please contact us.

Year 7 Selective High School Placement 2019

Government schools use a range of strategies to meet the educational needs of gifted and talented students. One strategy is selective high school placement, which provides intellectual stimulation and an educationally enriched environment for gifted and talented students.

Offers for selective high school placement will be determined mainly on the basis of the Selective High School Placement Test results and school assessment. Registration to apply online is available now until the 13th November 2017.

The Selective High School Placement Test will be held on the 15th March 2018. If you would like your child to apply for a

Selective High School placement in Year 7 in 2019, please contact Mr Keast.

PBL Awards

Laura W 4S - 'Learner' Award

Through this year, Laura has displayed an outstanding attitude towards learning at all times. She always comes to school organised and energised for her day.

During class activities, Laura will often encourage others to get involved in discussions and will offer to help others with their work. She makes lessons enjoyable with her enthusiasm, excitement for learning and positive attitude!

She excels in all key learning areas and shows the same love for learning during M.I.N.D Hub sessions. Well done, Laura and keep up the amazing work!

Matilda P 4D - 'Learner' Award

Matilda is nominated for always showing a positive attitude to her school work. Matilda completes all work in class to the best of her ability. She sets a fantastic example of what a learner should be. Her confident approach enables her to ask questions which furthers her understanding and knowledge in a range of subject areas.

She has an ability to express herself creatively which in turn inspires those around her to learn in a different and engaging way.

Serenity M 3/4M - 'Respectful' Award

Having taught Serenity in the classroom at times last year, I am well aware of her respectful nature during class activities. However, it is Serenity's respectful behaviour during sport and in the playground that is to be commended as well.

Serenity displays a respectful attitude to teachers and peers alike. During netball practice each week she is an attentive listener and always ready to follow instructions. Serenity displays a helpful attitude by asking if she can assist teachers, and accepts given tasks with responsibility. Her respectful nature makes her a pleasure to take away to Gala Day, where she continues to help by scoring games and carrying equipment.

Serenity is also respectful in the playground, and will often come and have a chat or pick up rubbish while I am on duty. Serenity's respectful attitude in all areas of the school is a wonderful example of how Rosemeadow students should strive to be.

Madison R 6Z - 'Respectful' Award

Madison is a kind and caring student who consistently displays the school rules and values. She is always respectful to herself, her peers and all school staff.

Madison shows a great deal of patience when needed, and this is something that is acknowledged by her peers and teachers. She takes school life in her stride and thinks things through in a mature manner.

Madison demonstrates key leadership skills both socially and academically, and is well-liked and respected by her class mates

Leilani M 1S - 'Safe' Award

Leilani is a kind and considerate member of 1S who always follows classroom rules. She makes sure that her peers are kept safe while learning by keeping the classroom neat and resources packed away.

Leilani lets the teacher know if someone is upset or if something is wrong. She always takes care when moving around the classroom and playground and listens carefully to complete set tasks safely. Keep up the great work Leilani!

Sakeenah A 1Q - 'Safe' Award

Sakeenah is a responsible student who always follows class and school rules, and is aware of how these help to keep everyone safe. She is mindful of her classmates and works hard to make the classroom a safer place for everyone.

Sakeenah moves around the room safely and will always make sure that equipment is used and put away safely. In the playground, she always plays fair and follows the rules of the game to ensure the safety of not only herself, but others playing in the same area.

Sakeenah can be trusted to approach all activities with a sensible and mature attitude and listens carefully to instructions to ensure she completes tasks safely. She is to be congratulated on her ongoing commitment towards being a safe student at Rosemeadow Public School. Well done Sakeenah, keep up the great work!

Well done to all our winners.
