School Reports

School reports will be given out during interviews next week. If you are unable to have an interview, please let your child's teacher know so that it can sent home.

Smoking

We do appreciate that the majority of community are respectful to others when they have a cigarette. It is mandatory that you do not smoke within 5 meters of the school gate.

NO SMOKING

I would also request that parents do not smoke close to our pedestrian crossing as some of our students have reported having to walk through cigarette smoke to get inside the school gate.

Your support with this request would be most appreciated.

Car park

The school has previously worked with Work Health and Safety personnel to review our car parking situation. A risk assessment was conducted around the safety of cars parking on school grounds.

The recommendation has been made that no parents park on school grounds. We urge that all parents and community members support this request.

Nationally Consistent Collection of Data

2018 Information for Parents and Carers

The Nationally Consistent Collection of Data on School Students with Disabilities (the national data collection) is an annual collection that counts the number of school students with a disability and the level of reasonable educational adjustment they are provided with.

What Is The Benefit For My Child?

This information will help teachers, principals, education authorities and families to better support students with a disability to fully participate in school on the same basis as students without a disability.

What Information Will Be Collected?

- Every year your child's school will collect the following information for each student with a disability:
- . the student's level of education (ie primary or secondary)
- . the student's level of adjustment
- . the student's broad type of disability.

The information collected by schools will be provided to all governments to inform policy and program improvement for students with a disability.

How Will My Child's Privacy Be Protected?

Protecting the privacy and confidentiality of all students and their families is essential. Personal details such as student names or other identifying information will be not be provided to local or federal education and authorities.

Further Information

Contact your child's teacher if you have further questions about the Nationally Consistent Collection of Data on School Students with Disabilities and how it may involve your child.

Help!!!

We are in DESPERATE need of donations of any socks, clothing and shoes (any size). Our supply has run out for when we have to change children who have had an accident.

Any donation would be greatly appreciated.

It would also be a wonderful idea to pack a spare set of clothes in your child's bag in case they have an accident.

Disco Term 2

We are having a disco on Friday 6th July 2018 for Kindergarten - Year 6 in the school hall. The theme for this Disco is Heroes and Villains so come along dressed in your favourite hero or villain costume. (Short shorts, singlet's and midriff tops are not appropriate clothing to wear to school). Please wear covered shoes.

Times for the disco are as follows: K - 2 12.00pm - 1.00pm
3 - 6 1.15pm - 2.45pm

*****ALL orders for Sausage Sizzles MUST BE in by Wednesday 4th July 2018, (no exceptions) to allow for catering. After this date the students will only be able to pay for the Disco.*****

The costs are as follows:

- Disco only \$3.00
- Sausage Sizzle only \$3.00
- Disco and Sausage Sizzle Combo \$5.00

Students may bring some money, as the canteen will be open selling drinks and chips etc.

Glow products will also be available to purchase on the day.

Please indicate your preference on the permission note and return note and money to the office by Wednesday 4th July 2018.

Students not attending the disco will be supervised in a classroom.

Education Week-Construction Display - 2018

ATTENTION - ALL STUDENTS and PARENTS/CARERS

It's that time again! Time to think, design, create and construct!

We are inviting students to be creative and constructive during the holidays and build a model or construction, which they can enter in our 2018 Education

Week Construction Display. (Term 3, Wednesday the 8th of August)

The model can be made from:

- paper cardboard polystyrene Lego
- Meccano straws Mobilo wood bits
- lollipop sticks match sticks clay plasticine
- plaster

You may even take inspiration from a STEM constructing task.

Mums, dads, nans, pops, brothers, sisters: everyone is encouraged to give ideas, support and assistance.

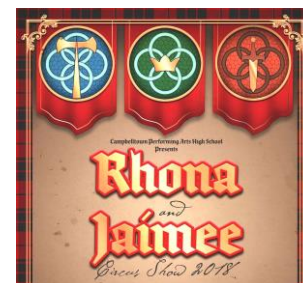

Entry forms will be available early next term. PLEASE DO NOT BRING CONSTRUCTIONS IN UNTIL Term 3, Monday the 6th of August

Wishing you a happy and 'constructive' holiday

Campbelltown Performing Arts High School Visit

- Rhonda & Jaimee

Last week Year 5 visited Campbelltown Performing Arts High School to watch students who study circus arts perform in a show inspired by Romeo and Juliet.

The high school performers wowed us with their acrobatic skills, using trampolines, ribbons, hoops and aerial silks. It was a great opportunity for

our students, who have participated in gymnastics this term during PDHPE.

Christian's Report

Last week I went to see a performance with trapeze performers and dancing. The story was about 2 emperors that were fighting. The blue leader was fighting with the red leader.

I loved seeing the prop ships and the tricks. My favourite part was when they did the front flips and when the emperors became friends and made up at the end.

Symbio Excursion

Last Tuesday the 12th June Year 1 went on an excursion to Symbio Wildlife Park. We met three rangers who taught us all about the animals at Symbio. We got to pat many animals including a Black-Headed Python and an American Alligator. After that Year 1 walked around looking at all the other wildlife. We were even lucky enough to feed some farm animals, kangaroos and wallabies. Year 1 had a great day full of learning and fun.

Kindergarten Excursion - Friday 29th June

We are all very excited for our Kindergarten excursion that is happening next Friday! Here are just a few reminders about the day.

Date: Friday 29th June 2018

Arrive at School by: 8:30.
We will be departing at 8:45.

Please arrange to have your child at school no later than 8:30am. Please meet at your child's classroom. If you foresee any problems in doing this please speak to your child's teacher as soon as possible.

We will be returning to school at approximately 2:45pm.

What to bring: Morning tea, lunch, drink and hats in a plastic bag/small backpack: clearly labelled with your child's name.

Children are to wear full school uniform. Please have jumpers and hats clearly labelled with their name.

IMPORTANT: It is important that children only bring a small bag because they will be responsible for it for the entire day. When packing lunches please pack only what they will need for the day as bags can get quite heavy when excessive food and drinks are packed.

Kind Regards,
Kindergarten Teachers
