

Science lab/room

Last year Laura and I (Mia) were in an extension group called Mind Hub. We were given an assignment by Mr Hughes to create something in an empty space around the school.

Our space was next to the woodwork shed. We came up with the idea of a Science lab. On the last day of school 2017 Mr Hughes told us the exciting news our project was getting actioned. We were so excited.

This year construction started. It started with a concrete slab and then the frame, then the walls and the roof. Here is a photo of the construction. We are hoping that the Science lab will be ready to use with some fantastic equipment in term 3.

From The Principal

Education Week

Education week is celebrated from August 5 where schools open their classrooms up to showcase all the great things going on in schools. We look forward to welcoming families this Wednesday with the Rosiebold (art) and construction displays. Please feel free to visit classrooms and stay around for lunch.

Primary Athletics Carnival

The primary athletics carnival will run this Thursday on the back oval. Students will rotate through each event based on their age group. Family and friends are most welcome to come along and enjoy the day.

Boxing Bag for sale

The P and C is selling a boxing bag and speedball that is fitted to a stand. If you are interested in making an offer, please contact the front office.

PBL Awards

Hannah S 6S - 'Learner' Award

Hannah is a self-motivated and eager learner. She exhibits a love of learning and a desire to take on new challenges in the classroom. Hannah is a cooperative class member and works well with her classmates to produce work of a high standard.

Mrs Ryan often comments on Hannah's ability to think mathematically in her extension Maths classes and solve problems in innovative and creative ways. She is a pleasure to have in the classroom and I look forward to seeing her continue to improve throughout this year.

Josimar Y 3K - 'Learner' Award

Josimar is a determined learner who is dedicated to improving. He has worked particularly hard to become a better reader this year.

Josimar has worked with Mr Adams and quickly taken on advice and applied the strategies taught. He has also practised his reading at home and remembers to bring his books back every single day. As a

result he has moved up several reading levels and is now a more fluent and expressive reader with a good understanding of the texts he reads. Josimar does all of this with enthusiasm and a smile on his face. I am very proud of you, Josimar!

Vivica Rose S 5S - 'Respectful' Award

Vivica is a student who displays respect in all situations at school. She shows respect to teachers by promptly following their instructions, whether it is in class, in the playground, or out at sport. Vivica is always willing to assist with tasks in the classroom, displaying care and responsibility when doing so. She shows respect to her classmates by speaking kindly, working cooperatively and treating others as she expects to be treated.

Vivica listens attentively during lessons to ensure that she follows directions carefully and never interferes with the learning of others. When attending Netball training and PSSA Gala Days she represents our school well by playing fairly against other teams and assisting teachers with any jobs that need to be done. Vivica's respectful behaviour is a credit to her and a model for other students to follow. Well done Vivica!

Matilda P 5P - 'Respectful' Award

Matilda is a well deserving student who is receiving a Rosemeadow Public School award for being a respectful student. She consistently displays respectful behaviour by listening to her peers and is always following teacher instructions.

Matilda is a hard-working student who has a positive attitude towards learning. In small group environments, she is always willing to help others by sharing her ideas and thoughts. Matilda is an active participant in the classroom and when being asked to complete any role or responsibility she is always willing to say yes. She should be very proud of her efforts. Well done Matilda keep up the good work!

Jelston-Cruz M 2C - 'Safe' Award

Jelston is a respectful student who is always SAFE. He sets a fine example by demonstrating this quality at all times. When walking in lines, Jelston is quiet, listens to instructions, follows the line leaders and reminds other students how to behave correctly.

If a student is not being SAFE, he will not interrupt but wait for the appropriate time to tell the teacher. Congratulations Jelston for receiving the SAFE award for this terms PBL Nominations. Well done!

Chelsea L 6S - 'Safe' Award

Chelsea is always safe at school. She is regularly chosen to complete jobs outside of the classroom as all teachers know that she can be trusted to move around our school safely and respectfully.

Chelsea is always extremely helpful in the classroom going above and beyond to make sure that problems are solved in our room. She is also a great asset on external sports days as she acts as a leader for our younger students.

Congratulations
Mr Hughes

P & C MEETING

We would like to invite you to our next P&C meeting which is being held this Wednesday 8 August 2018. The meeting will take place in the Library at 6.30pm.

Everyone is welcome to come along, bring a friend and we will welcome all and any new parents. We will be offering tea, coffee and cake for those who attend.

Hope to see you there

Help!!!

We are in DESPERATE need of donations of any socks, clothing and shoes (any size). Our supply has run out for when we have to change children who have had an accident.

Any donation would be greatly appreciated.

It would also be a wonderful idea to pack a spare set of clothes in your child's bag in case they have an accident.

Book Fair:

We deal with Central Books, who buy up surplus stock from publishing companies in Australia and this means their books are very reasonably priced. You may buy books with your child/children before and after school, or give them money and their wish list in an envelope and we will help them find the book they want.

Please be aware though, many books are sent in limited quantities and re-orders will only be considered with pre-payment.

Monday 13th August-Friday 17th August.(Week 4)

- Students will be doing a wish list. Books are not for sale this week.

Monday 20th August - Friday 24th August.(Week 5)

- Books are on sale this week at the following times:
8:30-9:00am before school, Lunchtimes (students only),
3:00-3:30 after school

Book Parade:

Our annual Book Parade is always a massive hit with students and parents alike. Children may dress up as any character (book or movie) however; the theme this year is **'FIND YOUR TREASURE'** so perhaps recycling the Pirate Day costumes might be a good idea too. All welcome.

When: 9:20a.m. Friday 24th August

Where: Under the shelter (where students line up in the morning).

Performance : Pass the Poetry please(Years K-4):

Pass the Poetry Please is not a poetry reading, it's a lively, totally engaging, visually rich theatre experience. Pass the Poetry Please skillfully combines poems past, present, fast, slow, funny and sad with costumed characters and baffling illusions in this colourful energetic performance that engages and stretches the imagination.

When: 9:30a.m. Thursday 23rd August - **Where:** Our school hall - **Cost:** \$5.00

"Dress up as a Superhero"

Please note this is NOT a mufti day. Students are to wear a superhero costume or their school uniform.

In the week leading up to the day, Superhero dress up items will be sold under the **K-2 shelter at lunch times.**

Please support the families and children who are fighting cancer by bringing a gold coin donation in on the day.

When : Tuesday 4th September 2018

Why: To fundraise money for Bear Cottage

"Do it for Cancer"

Congratulations to Maia 5A she aimed to raise \$500 for "Do It For Cancer" and she exceeded that raising \$1140.

Maia cut her long hair and it will be used to make a wig for cancer patients. You are an inspiration to us all.
