- 22nd July - Staff return for Term 3
- 23rd July - Students return for Term 3
- 17th Sept - ~EXTRAVAGANZA~

From The Principal

School Holidays

With the school holidays just around the corner I would like to remind parents and students that entering the school facility during the holidays is not permitted unless you are there on an authorised activity.

There are several capital works projects underway during this time and parts of the school will be designated construction areas. For safety, please ensure that entry onto school grounds is strictly limited to authorised activities only.

Zone Cross Country Carnival

The following students will represent Campbelltown at the South Western Sydney Championships:

Jazz T, Laura W, Ariana S, Jeziah P, Lakeisha S, Isaac I, Lani W and Aniela W.

Well done. Keep up the good work.

Don't forget our fabulous, fantastic, fun filled EXTRAVAGANZA... Save the date - 17th September 2019. The performance will once again be at Event Cinemas.

Participation notes have gone home. Please return ASAP to the office. Payment is due by Friday 5th July.

Notes will go home early next term for tickets to the Extravaganza. There will be a 4pm and 6pm session.

Woolworths Earn & Learn 2019

Woolworths Earn & Learn is finished for this year so please make sure any stickers you have left are sent in to school. We still have time to use them.

Thank you to everyone for your support. We greatly appreciate your time and effort.

Rugby League

Well done to Rosemeadow's U10s Boys and U12s Girls Rugby League teams who competed in the Tigers Cup on Wednesday 3rd of July at Eschol Park.

They played other schools from the Campbelltown region and were successful in progressing through to the State Knockout in Penrith in early August.

Both teams showed great skills and their behaviour on and off the field was exceptional. All in all, a great day!

Kindergarten Excursion

Last Thursday, Kindergarten attended Calmsley Hill City Farm as part of their Science unit, "Paddock to Plate." They enjoyed activities such as; milking a cow, riding on a tractor and patting baby animals. There were also shows including a dog show, a whip demonstration and sheep shearing.

The students were respectful throughout the day and had lots of fun learning about farm animals.

Lego Masters

This term, students from years 3-6 have competed in the qualifying round of Lego Masters.

This was a very popular competition with more than 200 students putting in their nominations. Each round had 7 teams of two compete against each other in an attempt to reach the final. The creativity and skill level was very high amongst all competitors.

Next term we will hold the finals where 2 teams from each year group will battle it out. A winner for each year will be determined.

The finalists are:

- Year 6 - Cody/Tim, Orlando/Chanel
- Year 5 - Damon/Saxon, Storm/Pratha
- Year 4 - Noah/Jasper, Her seing/Race
- Year 3 - Deakin/Christo, Stiana/Abbey

PBL Awards

Tyreese A 1C - 'Respectful' Award

Tyreese is a delightful student! The first thing you notice about Tyreese is his bright, cheerful grin! He never seems to be without it. His grin matches his positive attitude and upbeat personality.

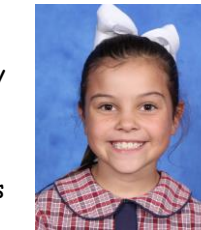

Tyreese consistently gives 110% on anything we do in class, as well as outside of class. He is friendly to his peers and provides praise and help within his team. You can always count on him to be listening carefully and following directions.

Tyreese often takes care of things without being asked or reminded. This kind of initiative is such a wonderful quality in a 1st grader. He never leaves class without a "thank you for teaching us" followed up with that heart-warming smile. Tyreese, you are a great model of character, friendliness and enthusiasm!

Izabelle A 4L - 'Respectful' Award

Izzy is a respectful student and a valued member of 4L. She has lovely manners and always has a friendly smile on her face. Izzy is a friendly student and does her best to ensure everyone in our class feels welcome.

She follows all instructions and frequently helps out in the classroom without being asked. Izzy is someone that can be relied upon for extra responsibilities and follows these through with a sense of leadership and maturity. She treats school property and other's belongings with care and respect.

Izzy is also a member of my Netball Gala Day team and she has consistently proven herself to be a respectful and reliable student during all training sessions and gala days. She is a kind and responsible student and a fantastic role model for her peers. Well done Izzy, keep up the great work!

Valentine F 6S - 'Safe' Award

Valentine is nominated this term for her outstanding sportsmanship at the PSSA State Knockout Netball Carnival. She was a proud Rosemeadow PS representative throughout the day and was a positive role model to her peers. Valentine was polite and respectful to teachers and students from other schools.

Whilst on the netball court, Valentine was enthusiastic, encouraged her team mates and always displayed a high level of team spirit. When it was her turn to sit off the court, she eagerly cheered on

and watched the other girls on the court. She motivated the other players to stay positive during the game and encouraged them to keep smiling and have fun. Valentine always shook hands and congratulated opposing players throughout the day.

She is a pleasure to have on any sporting team because she never gives up and always puts in 110% effort. Congratulations Valentine.

Yen H - 6S - 'Safe' Award

Yen has shown maturity in completing many jobs around the school. She is consistently conscientious in her role as a science monitor and displays respect towards all staff members.

Yen is always focused in the classroom and is a great asset to our class with her positive attitude and care in keeping our classroom clean and tidy. Keep up the great work Yen.

Ricci S 5B - 'Learner' Award

Ricci always comes to school with a smile on his face and ready to learn. He attempts all tasks with a positive attitude and always gives 100%.

Ricci's dedication to his learning has been noted by a number of staff within the school, which is a credit to his attitude. He concentrates when listening to instructions so he can understand what the task involves and then complete it successfully. Ricci works cooperatively with his peers. He is always willing to offer assistance to others and doesn't just think about himself.

Excellent start to the year Ricci, keep it up!

Isabelle M 4C - 'Learner' Award

Isabelle sets a fine example of what it is to be a learner. She walks into the classroom everyday with a smile on her face and a 'CAN DO' attitude towards her learning.

Isabelle stays focused throughout the day by always being organised, listening to instructions and completing her work to the best of her ability.

If she is having difficulty, before asking the teacher for help, she will try and solve the problem herself. When she has finished a task, Isabelle checks over her work then will quietly use her initiative to start another task or ask the teacher for extension work. Well done Isabelle for being a Safe and Respectful Learner.

Well done.

Silver Coin Project

Rosemeadow PS would like to thank The Silver Coin Project for providing school uniform items for students whose families require financial assistance. The Silver Coin Project is a Not-for-Profit charity committed to ensuring that students receive the school basics for successful learning.

If you require support for school uniform items please contact the office. Your request will remain confidential. If you would like further information or to donate please visit <https://www.thesilvercoinproject.com>.
