Extravaganza Update

The performances of each grade are progressing extremely well. There will be a dress rehearsal next week. We have decided to change the way we dismiss the students at the end of the night. Students will remain in the cinema and parents will collect their child from there.

We ask that parents are swift with the collection and exit the cinema immediately. Students will be held in the following cinemas ready for collection.

Cinema 3 - (K/6T-Yr1+2), KS, KH, KG, KJ, KC, KW, 1W, 1C, 1S, 1D, 1G

Cinema 2 - 2C, 2M, 2R, 2J, 3F, 3C, 3M, 3S

V-Max - (K/6T, K/6G & K/6H Yr3-6), 4C, 4L, 4R, 4/5K, 5A, 5B, 5/6P, 6H, 6S, 6Z

There will be announcements on the night about these dismissal procedures.

We know this means that some parents may need to collect their children from multiple cinemas; however, we believe this is the safest method. The main priority at the end of the night is the safety of the students. Please keep in mind that students will be tired and staff will have been on duty for close to 14 hours.

School Crossings

"The School Crossing Supervisor program is a state-wide program that contributes to the safety of infants and primary school students. School crossing supervisors help students use the crossings on roads adjacent to or nearby schools. School crossing supervisors are provided where transport authority guidelines and criteria are met.

School crossing supervisors are provided to increase mobility and safety around schools by enhancing the performance of pedestrian traffic facilities. School crossing supervisors provide additional measures for the safe and efficient movement of primary and infant schoolchildren."

The crossing supervisors are the responsibility of NSW Transport - Roads and Maritime(RMS)

On occasion the RMS will contact the school to advise of crossing supervisor absences. School staff voluntarily provide the role of crossing supervisor to ensure the safety of Rosemeadow students and the community. If there are no crossing supervisors on duty please take your child's hand and supervise them to cross the road safely. You will be teaching them valuable life skills.

For further details on the program, please phone 1800 427 677 or email [scssydney@rms.nsw.gov.au](mailto:scssydney@rms.nsw.gov.au)

The Kindergarten orientation program consists of three visits to the school in term 4. They will participate in classroom activities, meet the Kindergarten teachers, their new peers, as well as some of their Year 6 buddies for 2020.

Rosemeadow Public School is now accepting enrolments for 2020.

Book Parade

A massive thank you to all parents and carers for your support of our Book Parade. The students looked amazing. Book parade was a HUGE success especially all our Wallies.

Swim Scheme

Due to Extravaganza this year Rosemeadow Public School is unable to commit to the Department's dates for the Swimming Scheme Program.

However, we do understand the importance of students learning swimming skills and increasing their awareness of water safety and will be offering an alternate swimming program in Term 4. It will be a one week intensive learn-to-swim program conducted by qualified swimming instructors at

'Star Fish Learn to Swim' Leumeah. The lessons will be offered to Year 2 students first and are intended for students who are unable to swim 25 metres confidently in deep water.

This year there will be only 80 positions available for students to attend the one week program.

Date: Monday 4<sup>th</sup> November 2019 to Friday 8<sup>th</sup> November 2019 (Group 1)

Monday 11<sup>th</sup> November 2019 to Friday 15<sup>th</sup> November 2019 (Group 2)

Venue: Star Fish Learn to Swim - Hollylea Rd, Leumeah

Cost: \$45.00 which includes lessons, bus travel, pool entry and GST (the school has subsidised the cost of the lessons and students will travel on the school bus for free).

Notes will go home shortly.
