3rd February 2020

Rosemeadow Public School Homework Centre

Rosemeadow Public School will begin operating a **Homework Centre** at school out of school hours starting **Monday 10th February 2020**. The Homework Centre will provide assistance for students to complete their weekly classroom homework, as well as technology based homework in the lab. **The Homework Centre does not operate in the last week of each term**

This is a **FREE** program.

Homework is a valuable part of schooling. It allows for practising, extending and consolidating work done in class. Homework provides training for students in planning and organising time and develops a range of skills in identifying and using information resources. Additionally, it establishes habits of study, concentration and self-discipline.

WHO: The Homework Centre will be available to all students. **Kindergarten students will be able to access the Homework Centre from the beginning of Term 2.** The centre is designed to assist students in completing their homework. It is not a tutoring centre.

WHEN: The Homework Centre will operate each **MONDAY** afternoon from 3:00-3.30pm.

WHERE: The Homework Centre will operate in the **Library**.

If you would like your child to participate in the Homework Centre please fill out the form below and return it to **the office**.
