Facebook Groups

As partners in your child's education the school would like to offer you the opportunity to find out more about what they are learning at school.

We have set up dedicated closed Facebook Groups for parents of Rosemeadow Public School students.

The Facebook Groups will be an informative collaborated hub with information about what your child is learning in all the key learning areas in class and with suggestions on how you are able to help your child with their learning at home.

To join our Closed Groups, like our Rosemeadow Facebook homepage, scroll to "Groups" and then click to find which group you would like to join. **Make sure you answer the 3 security questions before pressing submit - otherwise we will not be able to accept your request.**

To further assist you we have also attached some instructions on how to join our Closed Facebook Groups.

Thank you
