

Kindergarten Home Learning Booklet Semester Two

Booklet 16

Term 4 Week 6

Monday					
English		Maths		Other Key Learning Areas	
Listen to the story 'Pete the Cat and the Missing Cupcake'. https://www.youtube.com/watch?v=5ua2-niw8so&t=103s Draw your favourite part and write a sentence if you can.		We are going to practise subtracting today. Watch this video before continuing the following activities. https://www.youtube.com/watch?v=Rnw5ixvU074		Geography: Explore Rosemeadow Public School on Google maps and locate different places around the school. Students will then create a map of their school and label the different places. Parents can help locate the different areas of the school such as the oval, toilets, office, netball court, etc. Label them if possible.	
Read one of your decodable readers online.		If Sally had 9 chocolate bars and she ate 4 of them, how many would she have left? Draw your answer.			
Blend these sounds together using the digraph 'th' and make the words: th-u-d th-i-n w-i-th Note: a digraph is a combination of two letters making one sound.		A game for two! A pirate and a thief. Play a pirate treasure hunt game where you start with 10 objects and the thief hides some treasure away. The thief will keep the left overs in a box so the pirate can work out how many items have been stolen. Then go on the treasure hunt to find all the missing items! Repeat this 5 times.			
Practise reading and writing the sight words: where got then		Complete an activity on Mathletics.			
Tuesday					
English		Maths		Other Key Learning Areas	
Listen to a book read by an adult. Draw a picture about your favourite part. Write a sentence if you can.		Play and sing along to the subtraction song: https://www.youtube.com/watch?v=QkPa9V2wtZs		Sport: Kids Workout https://www.youtube.com/watch?v=oc4QS2USKmk	
Tell an adult as many words as you can that		Play this interactive subtraction game.			

rhyme with the word 'bug'.		https://www.abcyia.com/games/subtraction_game		
<p>Ask your child to:</p> <ul style="list-style-type: none"> -Say the word -Count the sounds -Write the sounds if they can <p>grab</p> <p>flat</p> <p>slug</p> <p>plum</p> <p>swim</p>		<p>Smash Playdoh.</p> <p>An adult will write a number sentence using numbers 1-10 and write a number story (for example 6-3=) and students will then roll balls of playdoh and smoosh them as they subtract to demonstrate the number story.</p> 		
<p>Practise reading and writing the sight words:</p> <p>where</p> <p>got</p> <p>then</p> <p>Pick one sight word and write it in a sentence if you can.</p>		<p>Use flashcards 1-20 and shuffle them up and place them on a table not in order. Now time yourself and see how quickly you can put them in order in one big line.</p> <p>Repeat 3 times and see if you get quicker each time.</p>		

Wednesday

English		Maths	Other Key Learning Areas	
<p>Listen to the story 'Hansel and Gretel'.</p> <p>https://www.youtube.com/watch?v=wDQib9yeEn0</p> <p>Tell a family member what happened in the beginning, middle and end of the story.</p>		<p>Watch this "how many more" video before completing the following activities.</p> <p>https://www.youtube.com/watch?v=z3ArSerhL4E</p>	<p>Geography: Today we are going to talk about 'My Place.' My place is often a place where we feel safe. What is your safe place and why? Draw a picture and record yourself explaining why you have chosen this place.</p>	
<p>Blend these sounds together using the digraph 'th' and make the words:</p> <p>th-e-m</p>		<p>If I need 10 tokens the collect a prize, and I only have 4 tokens, how many more do I need before I can get a prize?</p>		

m-o-th				
th-i-s				
<p>Practise reading and writing the sight words: where got then</p> <p>Pick a new sight word and write it in a sentence if you can.</p>		<p>You will need a dice and some Legos (or the same objects) to play this activity.</p> <p>Roll the dice, the number you rolled is the number of Legos you will get and put in a row, next to one another.</p> <p>Roll the dice again, the number you rolled is the number of Legos you will get to put in another row under the first row.</p> <p>Now look at the longer row, and work out how many more in the longer row than the shorter row.</p> <p>Repeat this 3 times.</p>		
Read one of your decodable readers online.		Complete an activity on Mathematics.		

Thursday

English		Maths		Other Key Learning Areas	
Listen to a book read by an adult. Draw a picture about your favourite part. Write a sentence if you can.		Practise writing the numbers 1-20 backwards in rainbow writing.		<p>Geography: Today we will explore different types of homes. Homes are places where people live.</p> <p>Watch this video to see different types of homes. https://www.youtube.com/watch?v=s2eC9gTKVa8</p> <p>What kind of home do you live in?</p> <p>Draw a picture of your home.</p>	
<p>Ask your child to:</p> <ul style="list-style-type: none"> -Say the word -Count the sounds -Write the sounds if they can <p>lamp</p>		<p>Play a game that will help students identify how many more to get to 10.</p> <p>You will need Legos/blocks and a dice.</p>			

wind help ring dust		Roll the dice and use the number rolled to build a tower. Now work out how many more Lego you would need if you needed to build a tower with 10 blocks? Repeat this 5 times.		
Read one of your decodable readers online.		Sing and dance to this counting song. https://www.youtube.com/watch?v=0TgLf3PMOc
