Accident insurance information

- In the event of injury, no accident or medical insurance cover is provided by the NSW Government Treasury Managed Fund for students participating in school sporting activities, physical education lessons or any other school endorsed activity, unless there is a breach of duty of care by department or school staff. The NSW Department of Education is insured to meet the financial impact of any legal liabilities arising from its activities. It does not provide, nor has it ever provided, accident or medical insurance for students enrolled in government schools.

Concussion management

- When a student enrolled in a government school is diagnosed with concussion, the principal must be advised in writing as soon as the diagnosis is confirmed. Students may only return to sport and physical activity once a medical clearance has been provided to the school and, if at a school sport event, to the supervising teacher. Any student that experiences a suspected concussion during a school-endorsed activity, will be removed from the activity and parents/carers will be advised that a medical follow-up is required. If medical clearance is not provided, the student cannot participate in vigorous or competitive school sport or physical activities for 21 days from the concussion date.

Medical

- my child has no medical condition or injury that places them at risk by participating in this activity/event.
- my child will receive first aid or medical care during the activity/event, if required.
- the NSW Ambulance Schools and Group Cover Scheme 2024 (ASGCS) is an insurance policy that provides coverage for emergency ambulance services to NSW public school students attending approved, fully supervised school activities

Parents or guardians are most welcome to attend the carnival, but students must sit in the allocated section for their House. ***We encourage parents to attend school events. However, we expect parents to be supportive of all students, staff and officials. If your behaviour as a parent is not acceptable you may be restricted from attending future school events.***

Thank you - PDHPE Committee
